TENNESSEE TECH UNIVERSITY

Computer Science Department
CSC 3300 Database Management Systems
Project4 (04/18/2016; Spring 2016)
Beata Kubiak

What to submit as a solution to the Project4?
File in the PDF format.

Where to submit this file?
The dropbox in iLearn named Project4. The due date for this project is 04/24/2016 at 9:00pm. The end date for this project is 04/26/2016 at 9:00pm.

Rules
You may discuss on piazza what has to be done (clarification of questions).

How this assignment will be graded?
This assignment is worth 100 points and 13% of the final grade.

Give solutions to the exercises 3.19, 3.21, 3.28 presented in the attachments to this document.

For exercise 3.21 use the notation described on pages 84-85.

Remark: In Figure 3.14 there is a summary of the notation for ER diagrams presented in Figures 3.21, 3.25

These exercises come from the book entitled "Fundamentals of Database Systems, 7th Edition" by Ramez Elmasri and Shamkant B. Navathe.
